For medically necessary services rendered by a Preferred Plan, participating, or recognized provider in the service area, the benefits of this plan will be provided at the percentage of the allowed amount as specified below after the deductible has been met. Unless otherwise specified, all benefits are subject to the annual deductible in addition to any copays and coinsurance.

When you have reached the annual out-of-pocket coinsurance maximum for Preferred Plan or out-of-area provider services only, this plan will provide benefits at 100% of the allowed amount for the remainder of the calendar year for the services of Preferred Plan or out-of-area providers, unless otherwise specified. Any balances of charges not covered by this plan will be your responsibility to pay.

The annual deductible, copays, prescription drugs, outpatient rehabilitation, smoking cessation, vision hardware, and most services provided by participating or recognized providers do not apply to the annual out-of-pocket coinsurance amount.
