Monthly Rates for PPO Comprehensive and Catastrophic Plans and HSA-Qualified PPO Catastrophic Plan

Effective January 1, 2006

Rates are based on the age of each applicant. Moving to the next (higher) age range will increase your rates as indicated below without further notice from the company. To qualify for the non-smoker rates, you must not have smoked cigarettes, cigars, pipes or used chewing tobacco, smokeless tobacco or any other form of tobacco or illegal drug substances within the past 12 months. Families with one child pay only the 1-child rate. Families with two or more children pay the 2-or-more-children rate.
